

The senses game

Some students can write sentences

Some students can talk to their families about this

Some students can explore the items with their families

1. Find something you can smell – how does it smell?
Do you like it?
2. Find something you can taste – how does it taste?
Is it sweet or sour?
3. Find something you can hear – Is it loud? Is it
funny?
4. Find something you can touch – is it soft or rough?
