

# Initial sound matching!

 Children -  Use  your  finger  to  point  to a  letter,  say  its  sound  and  then  find  a  picture

 that  begins  with  that  sound.

 Challenge -  Can  you  remember  the phonics  songs  for  each  sound?

Grown up's- For those of you that don't have access to a printer- use the next page to match the initial sound to its picture.

You can use your finger to point to each letter, say its sound, and then point to its picture.

Remember to **say the letter sound, not its name**. For example, 'S' the letter name is pronounced 'es' but the letter sound is pronounced 'ssss' like a snake!
