

At the moment,

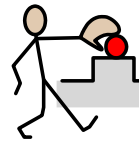

some

people

are

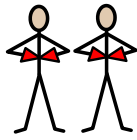

getting

ill.

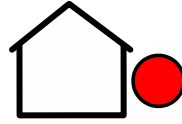

When

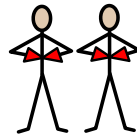

we

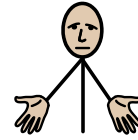

are

outside

we

need

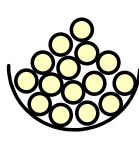

to

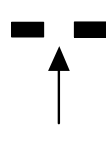

give

people

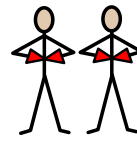

lots of

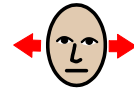

space

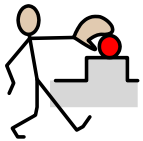

so

we

don't

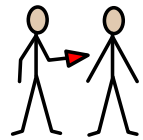

get

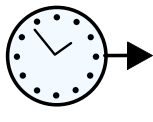

ill

too.

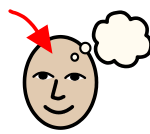

You

will

be

learning

at

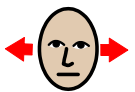

home

for a

while.

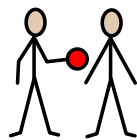

Not

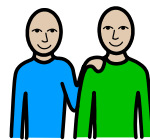

at

school.

Your

friends

are

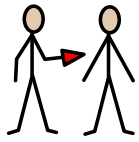

at

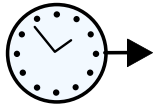

home

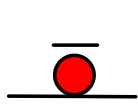

too.

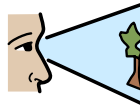

You

will

still

see

R

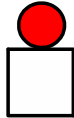

Robyn

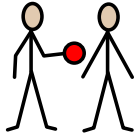

reading

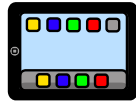

stories

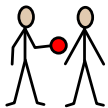

on

your

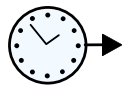

devices.

Your

parents

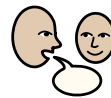

will

still

be

talking to

R

Robyn

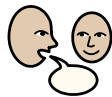

on

the phone

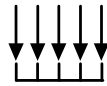

and

telling

her

all

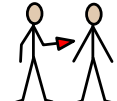

the

great

things

you

are doing!

You can

email

R

Robyn

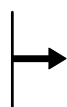

photos

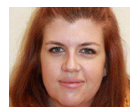

too!

Have lots of fun learning at home!

From,

R

Robyn
