

At the moment,

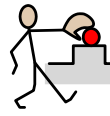

some

people

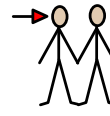

are

getting

ill.

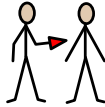

They

could

make

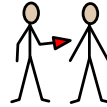

you

ill

if

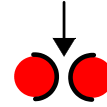

you

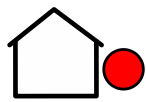

get

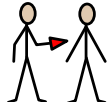

too

close.

Outside,

you

need

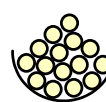

to

give

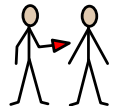

people

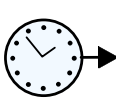

lots of

space.

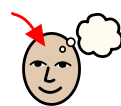

You

will

be

learning

at

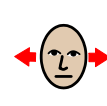

home

for a

while.

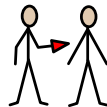

Not

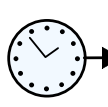

at

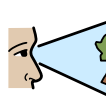

school.

You

will

see

Leona

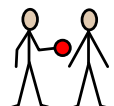

reading

stories

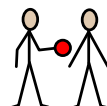

on

your

devices.

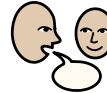

Your

parents

will

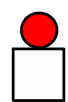

talk to

Leona

lots

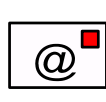

on

phone

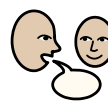

and

email

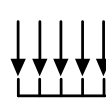

to

tell

her

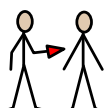

all of

the

great

things

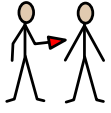

you

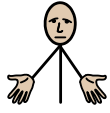

have been

doing.,

You

need

to

remember

to:

Listen

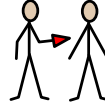

to the

adults

looking after

you.

Be

kind.
