

Guess who?

Rules of the game

- This game needs at least 2 people.
- Write down lots of different people (Friends & famous people) cut them all out.
- 1 player to randomly choose a person and hold it to their head making sure everyone can see but not them.
- The player with the person on their head needs to ask questions to guess who the person is.
- Once a question is asked the only answers can be yes or no.
- You only have 3 guesses to guess who the person could be.
- Why not try this with different places or jobs too

Good luck!
