

# KS4 TRANSITION SUPPORT

## Message for Key Stage 4 Families

Dear Parents/Carers,

For those of you who don't know me, I am the Transition Lead at Ellen Tinkham, (as well as being FE Lead and teacher.)

During normal circumstances, in the Summer Term, for those families whose young person may be transitioning to FE in September, I organise informal meetings to introduce myself, discuss the FE provision at the College, future transition planning from FE and also answer any general questions about both.

Following on from this, I then offer opportunities to meet individually with families if necessary. At the moment, obviously, the situation is very uncertain and it may be that this year preparation happens in a different way. I just want to reassure you, however, that I will still be doing the best preparation possible for your young person and yourselves as families, and will keep you informed of this via the Home Learning page.

***If you want to look at existing information on Transition, you can find it on the Ellen Tinkham website –Ellen Tinkham College-Transition/Moving On.***

***If you have any other specific concerns, you can mention these to your young person's Tutor during weekly phone calls and ask them to pass it on to me, or contact me directly at:  
ekenshole@ellentinkham.devon.sch.uk***

Best Wishes,

Emma Kenshole
