Make a Balloon Rocket!

You

will

need:

2

2 chairs

string

1

1 straw

1

1 balloon

sticky tape

Watch the video

to

see

how

to

make

your

balloon

rocket.

Can

you

run

as

fast

as

your

balloon

rocket?

Can

you

set up

2

rockets

and

have

a

rocket

race

with

someone

in

your

family?

Try

using:

different sizes of balloons

different

shaped

balloons

a

different

thickness

or texture

of string,

rope

or wool

What

makes

the

rocket

go

faster?

What

makes

the

rocket

go

slower?

Maybe

you

could

decorate

your

rocket

balloon?

Please

send

us

a photo

or video

of your

experiment!
