Theme Park

You

have been

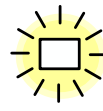

hired

to design

a

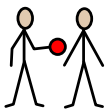

new

theme park.

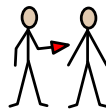

In

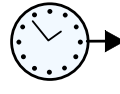

your

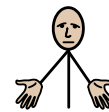

theme park

you

will

need

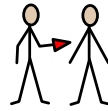

some

attractions.

Can

you

design

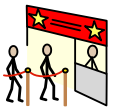

some

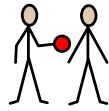

rollercoasters

or

attractions

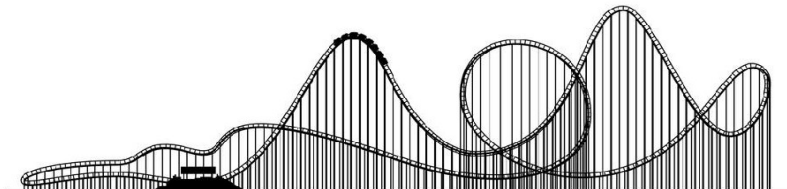

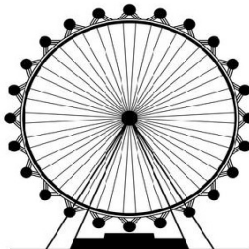

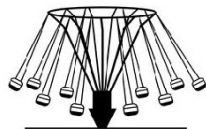

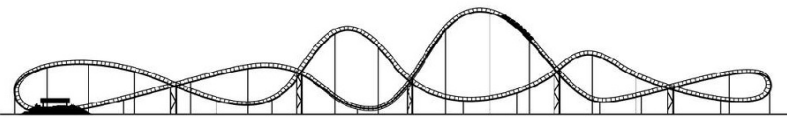

for

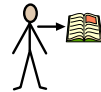

your

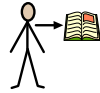

theme park?

Some theme parks have characters to meet.

Design a character for your theme park. What

are they called?

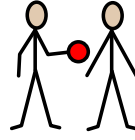

What

will you

call

your

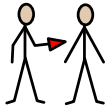

theme park?

Can

you

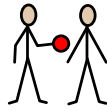

design

a map

of

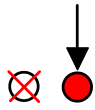

your

theme park?

What

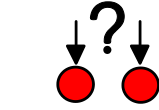

else

do you

need?

Somewhere

to eat?

go to the toilet?

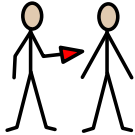

a gift shop?

Can

you

design

a

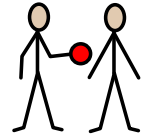

poster

to

advertise

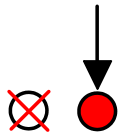

your

theme park?

Other

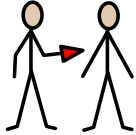

ideas

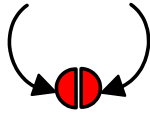

...

Could

you

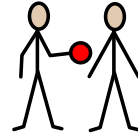

make

a

model

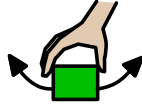

of

your

theme park

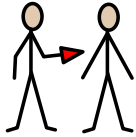

using

junk?

Could

you

create

a

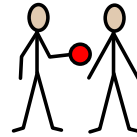

radio

advert

for

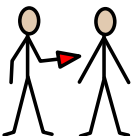

your

theme park?

could

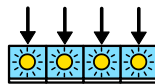

you

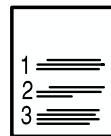

create

a

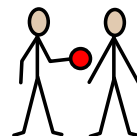

daily

plan

for

your

theme park

or a

menu

for the

restaurant?
