

Project

Time

Capsule

Today

we

are

living

history.

In the future

people

will

talk about

the

time

we

all

had to

stay at

home.

1

One

way

of

helping

people

to

remember

or

learn

about

what

happened

is to

make

a

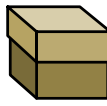

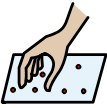

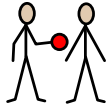

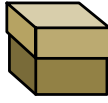

time

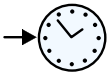

capsule.

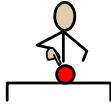

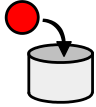

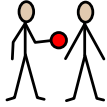

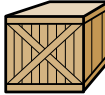

?   
How to make a time capsule.

1     
1. Choose a container to be your time capsule.

   +      
Decorate your capsule and label it. You might want to write on 'Do not

 →  ...' and  a  in the future.

2     
2. Choose what to put in your container

  
You might like to

•    +     
Draw a picture of yourself and your family. Write about your

family.

•   →  or 
Cut out pictures from a magazine or newspaper

• Draw or write about your favourite things, food animals, family,

friends and hobbies.

• Write a diary about what you have done whilst you

have been at home.

• Choose a photo of how you look now (make sure to put

your age on the back)

3 Close your time capsule and put it somewhere safe

until you are ready to open it in the future.
