

 **1**  20 -  24  April **2020**
 Week 1 20th - 24th April 2020

1           
 1. When you look out of your window at night, what can you

    
 see? What is up in the night sky?

 **3**     
 Think of 3 words to describe what you see.

2      
 2. Watch Back to Earth With a Bump story.

3         
 3. Look at Solar System Labelling Activity. What planets can you name?

4       
 4. Have a go at making your own cardboard tube rocket.

      
 Use pencils, crayons or felt tips if you don't have any paints.

5         
 5. Make a balloon rocket and see how far it will go!
