Summer

Term

Space

Project

This

is

a

Home

Learning

Project

you can

do

when

school

is

closed.

Each

week

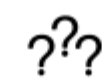

there

will

be

questions

for

you

to

think

about,

some thing to

read,

some thing to

make

and

an experiment

to

try.

You

don't have

to

do

everything.

Just

do

the

things

you

and

your

family

want to.

Most

of

all,

have

fun!

Send

us

some

photos

or

videos

of

what

you

have been

doing.
