

Springtime - something to sing about.

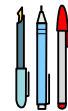

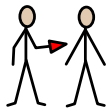

Have a listen to this cheerful song. Look around wherever

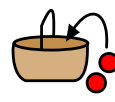

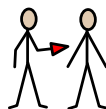

you are, whether it's inside or outside. Can you see

lots of different colours?

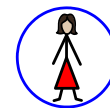

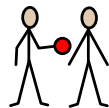

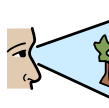

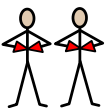

Maybe you could make a colourful picture using pens,

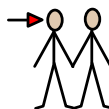

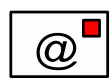

pencils or paints? Or you could collect coloured materials

to stick onto a collage picture.

We would love to see your pictures - Mummy or

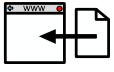

K

C

Daddy could email them to Katie or Claire, or

upload

onto
