

What Did the Caterpillar Eat?

Sensory Bag

You will need:

Ziplock bag

The Very Hungry Caterpillar Cut-Out

Food Cut-Outs

Hair Gel

Laminator

Glue

Sticky Tape

Method

1. Cut out and laminate all the resources in advance.
2. Stick The Very Hungry Caterpillar Cut-Out to the front of the bag.
3. Add some hair gel to the bag, leaving enough space to be able to move things around.
4. Put in the Food Cut-Outs and give them a squish and move them around.
5. Seal the top of the bag with the tape so the contents don't come out.
6. The children can move the pictures around and look for all the different food that The Very Hungry Caterpillar ate.
