

KS2

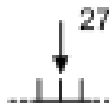

Key stage 2

Space

Project

2

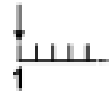

27th

April

-

1st

May

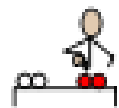

1

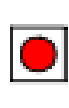

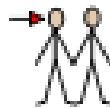

1. This week's Space questions:

How do people travel in space?

What are these people called?

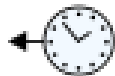

What do they wear in space?

2

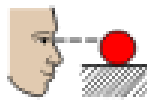

2. Watch and listen to Lisa reading Whatever Next

3

3. If you were going to space what would

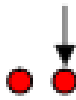

you take? Look at the activity sheet.

4 ?

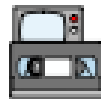

4. Have a go at making a Space Ship Porthole

(another name for a window).

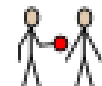

5

5. Watch the video for this week's science experiment

Making Moon Craters.

Have fun! Send us your photos!

Our Solar System:

Check out this great song on You Tube that Ella in Yellow class found:

<https://youtu.be/ZHAqT4hXnMw>

Thanks Ella! ☺
