

We are all having to spend a lot of time at home at the moment but there is often a lot to see out of the window. Spend some time looking out of the window. Choose one of these outlines, and draw what you can see out of your window. If you don't like these outlines, you could draw your own window.

Use paints, pencils or felt tips to colour your picture. Don't forget you can send it to the gallery on our website or post it on Evidence for Learning.
