

It's BINGO time!

It's time for reading, while playing our favourite BINGO game! There are 4 versions for our game. Each version has 4 pages, meaning that they allow up to 4 players to join in. You can always add more players, by making more copies of the pages or by making your own BINGO templates. Here are the different versions:

1. Tricky words BINGO (pages 2-5)
2. CVC words BINGO (pages 6-9)
3. CVC symbolised words BINGO (pages 10-13)
4. CVC symbols BINGO (pages 14-17)

Remember to take a video or a photo of you playing the game and to let us know who was the big winner. Have fun!
