Task one

On your daily walk record as many things as you can for the following four senses:

- hear
- see
- touch
- smell

Use the table below to record or take pictures to show us on Evidence for Learning.

<p>What can you can hear?</p> 	<p>What can you can see?</p> 
<p>How many textures can you touch?</p> 	<p>How many things you can smell?</p>  <small>shutterstock.com • 565675024</small>

Word bank

pavement	sour
flower	sweet
taste	long
smell	short
look	river
feels	tree
happy	leaves
sad	leaf
purple	animals
green	nature
red	crispy
blue	soft
white	rough

Task Two - Can you write a description for one of these images or take your own on a nature walk? You can use the word bank to help you. Show us your writing and which picture

you chose on Evidence for Learning.

Example:

The wood is dark because there are lots of tall beautiful trees.

There is a brave deer looking at me. I think the deer is looking for the rest of its herd.

The leaves on the tree are bright green and they move slowly in the wind.

The paths are covered in logs and sticks.

Task three - Draw a poster to tell everyone about a new type of animal you have discovered - be imaginative! Here is mine! Add labels to your poster.

Newly discovered animal named 'Feathery Emily'

It has very sharp claws and can fly as fast as an eagle.

This creature has a human head with bird ears and body.

Be warned! This animal flies very low and likes to make a lot of noise!
