

Today we are celebrating VE day.

VE day is the day that World War 2 ended it was on 8th May 1945.

After 6yrs the war was finally over. The Prime Minister Sir Winston Churchill gave a speech - you can watch it at

[www.bbc.com > historyofthebbc > anniversaries > may](http://www.bbc.com/historyofthebbc/anniversaries/may)

Look at the power point in the resources area to find out more about VE day.

Have a go at some of the activities below, you will find the instructions in the resources area.

You could;

-  Make paper aeroplanes
-  Try making a war time recipe
-  Have a go at Morse Code
-  Design a VE day tea cup
-  Make VE bunting
-  Make a Union Flag

Everything changed for the children during the war, just like it has for us now.

Spending time together as a family was very important, why not make a record of your family time by making a family plaque?

Have fun

Pam
