

 Eggs  we  had  in  incubator  hatched

 Chicks  start  small  but  grow  very  fast

 We  have  5  female  and  1  male

 Name  for  female  chickens  is  'hens'

 Hens  start  to  make  eggs  when  20  weeks  old

 You can  see  photos  on  internet

 All  chickens  will  be  at  school  when  you  come back
