

Let's investigate weight.

You can

make

your own

balance

scales.

Watch

me

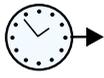

on the

video.

You

will

need

a

coat hanger,

2

two

carrier bags

and

2

two

clothes pegs.

Peg

a carrier bag

at

each

end

of

your

coat hanger.

You

have

balance

scales!

Now

use

the balance

scales to

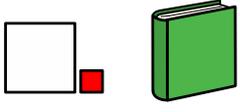

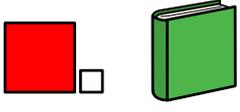

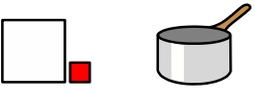

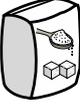

complete

this

task.
