

# Head Sculpture

## You will need....

Balloon, mod roc, water, recycled material bottle tops, card, old playdoh or modelling clay, paint, and wool. (If you are not using mod roc, you will need PVA glue (or flour), water and newspaper to make paper mache.)

## Step one

Blow up the balloon.

## Step two

Cut strips of mod roc, dip them into water. Place onto the balloon and smooth out. Alternatively paper mache over the balloon. Leave to dry.

# Head Sculpture

## Step 3

Make facial features by mod rocking bottles tops, card or old bits of playdoh to make facial features. Leave to dry

To be continued next week.
