## Measuring in centimetres exploration.

Look at the ruler and write the number of centimetres that the shoe measures.

CM 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 2
ANOMALY
It measures centimetres.
CM 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20
ANOMALY

It measures

centimetres.

Now investigate the shoes in your house.

You will need a ruler, some shoes and the recording sheet.
