

Life Skills- Kitchen Safety

At the beginning of last term, we looked at safety in the kitchen. Here are some images that should be familiar!

1. Can you spot the hazard in these pictures of kitchens? Remember, there might be more than one!

What might happen if this hazard in the kitchen was not sorted out?

 <p>Burn</p>	 <p>Fire</p>
 <p>Cut</p>	 <p>Slip</p>
 <p>Electrocute</p>	 <p>food poisoning</p>

2.

3. How could you make the kitchen safe?

Spot the Kitchen Hazard. What might happen? How could you make it safer?
