

Sensory bubbles:

- On a windy day, go outside. Take some bubbles outside too
- Can you blow bubbles? Take a big breath in, fill your cheeks, and blow.
You may need to ask an adult to help you.

- Can you blow **BIG** bubbles, can you blow SMALL bubbles?

- Which way do they go? To the left, to the right, up or down?
You can then tell which way the wind is blowing.

- Do they float way fast or slow?
- Can you catch the bubbles?

- How many can you "POP"!?

HAVE FUN!
