Space

theme

this week

Astronauts

+

and

The Moon.

Investigate

+

and

find out:

How many

astronauts

have

landed

on the

moon?

Can

you

find out

their

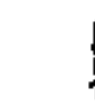

names?

Who

was

the

first

astronaut

to stand

on

the moon.

What

did

the astronauts

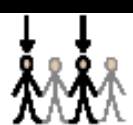

do

on the

moon?

Some

astronauts

live

in

space

in

the

International

Space Station.

The

astronauts

fly

to

the

space station

and

have to

dock

their

spacecraft.

Your

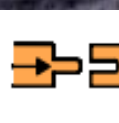

mission

is to

try

to

dock

the

spaceship.

See

mission

instructions.

Design

a

Space

Helmet?

Can

you

make

a

space

helmet

out of

your

recycled

materials?

Dress up

as an

astronaut

with

things

you can

find

at

home?
