

## Spring Treasure Hunt

Think of 6 simple things which your child will be able to find in your garden or on your daily walk e.g. a piece of grass, a stick, a pine cone.

Make a list of them and put it in the lid of an egg box.

You could ask your child to help you draw the pictures and write the labels if they can. Include things your child may not know the name of e.g. a bluebell or buttercup. It is always good to introduce new vocabulary!
