Science

Investigate Plastic

Have a look around your house.
What can you see that is plastic?

- Make a collection.
- Make a list

Are all plastics the same?
Do they all float?

Some plastics can be recycled and made into different things. Can you use some recycled plastic to make

- a boat

Or

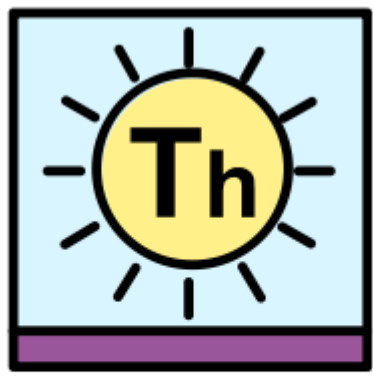

- a musical instrument.

Does your boat float?

Can you play a tune on your musical instrument?

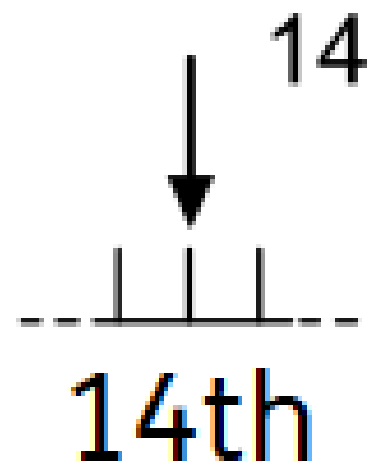

Watch Plastics in the Environment PowerPoint.

Senses – Taste

Explore some dried oats.

Read the story of Goldilocks and the three bears.

https://www.youtube.com/watch?v=Oaw-d3r_glc

Make some porridge and divide it into 3 small bowls.

Add a different ingredients to flavour each bowl e.g. honey, cinnamon

golden syrup, mashed banana.

Taste the porridge. Do they like them? Which is their favourite? How do you know?
