

How to Make a 'Bird Kebab'

You

will

need:

• Thin

wire

• String

• Bird

kebab

food,

e.g. apple,

cheese,

raisins

(be careful with

raisins

if you have a

dog)

1

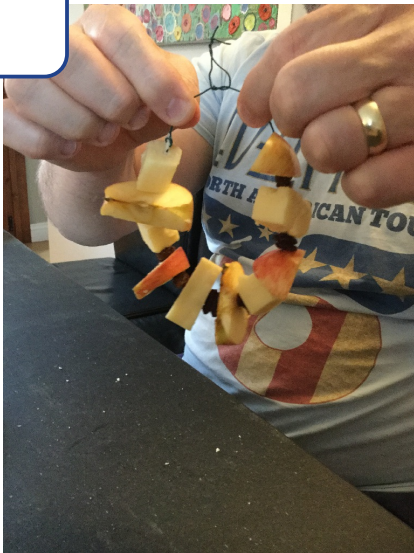

Prepare food that birds will like. Cut it up into small pieces.

2

Carefully thread the wire through the pieces of food. Leave enough wire at the end to fasten together.

3

Bend the wire to form a circle and fasten the ends together.

4

Tie a short length of string onto your wire circle and hang the kebab up for the birds to eat.
