

# We're going on a word hunt!

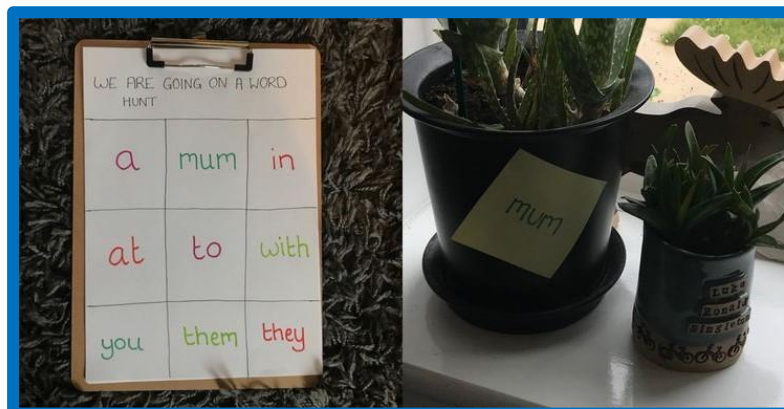

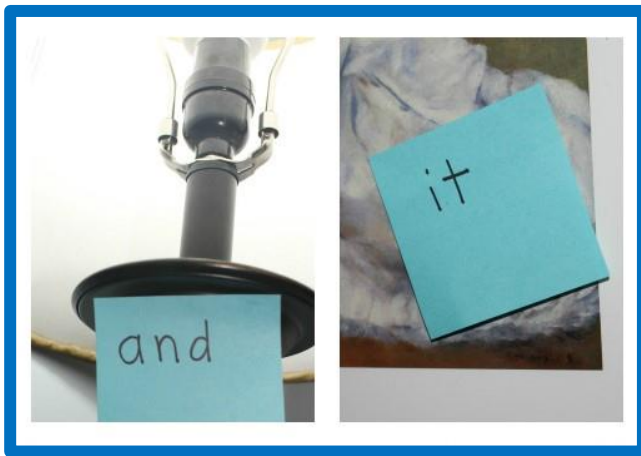

It's time to go around the house looking for Phase 2 and Phase 3 tricky words.

## To set up the game - Adults:

- Write tricky words on post-it sticky notes or on pieces of paper and put them around your house.
- Use the templates below for your word hunt or make your own templates with your own words.

## Time to play - Children:

- Read the words on the template.
- Go around the house to look for the words. Each time you find one, read it aloud and match it on your template. Can you find them all?
