

Wind Sock Instructions

You will need:

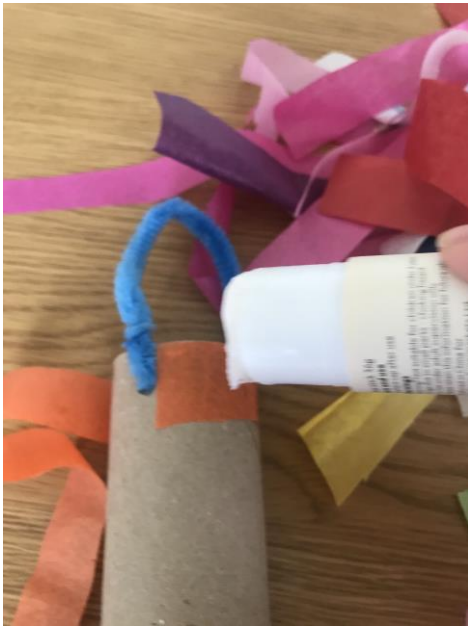

- A toilet roll
- Tissue paper/ribbons or coloured paper
- Scissors (can tear the paper)
- Glue stick
- A pipe cleaner or string.

1. Start by cutting or tearing strips of paper or tissue into long strips. If you are using scissors remember to be careful!

2. Next ask your adult to help you to make two holes at the top of the toilet roll. This is where you will insert your pipe cleaner or string.

3. Next, use your glue to stick your colourful strips around the toilet roll. Have fun making your own patterns!

4. Lastly, Glue the top of some of your long pieces of paper and stick to the inside of the toilet roll.

Find a nice spot to hang your finished wind sock and enjoy seeing it blow in the breeze!
