

Let's investigate capacity.

Choose a cup or beaker to use as your measure.

  <p>I measured</p>	    <p>I think it will hold</p>   <p>? cups</p>	   <p>It held ? cups</p>

You can

stick

these

symbols

into

the

first

column

to

show

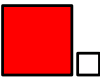

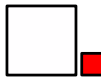

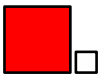

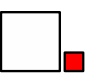

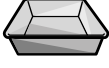

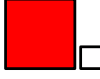

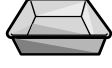

what

you

measured.

 Glass	 Wine glass	 Pint glass
