

Rain Stick Art Activity

You will need:

- Kitchen roll tube or wrapping paper tube
- Duct tape masking tape or sellotape
- Paper
- Alternatively you could use elastic bands to fasten the ends
- Decoration; paint, stickers, wrapping paper, coloured tape feathers or sequins
- Lentils, rice, couscous or small stones

Instructions

- Draw around the circles at the top and bottom of the cardboard tube
- Cut out the circles and stick them to the end of your tube using tape
- Alternatively, draw a bigger circle and fasten it to the end using an elastic
- Fill your tube with either stones, rice, lentils or anything to make a sound
- Attach the other end to your tube
- Decorate using paint, stickers, wrapping paper, coloured tape, sequins - anything you like!
