

Beanstalk

threading

What you need:

● Dry

pasta

spaghetti

● Green

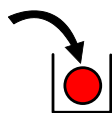

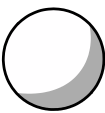

playdough

● Pasta tubes

1    
1. Make some green playdough

2   
2. Roll it into ball

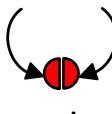

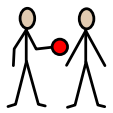

3  **1**     
3. Put 1 piece of dry spaghetti into the top

of the playdough

4     
4. Using the tubed pasta, start to thread them over the

   
spaghetti skewer, making your beanstalk

5     
5. Can you count how many pasta tubes you have

  
used to make your beanstalk.
