

Bubble wrap printing

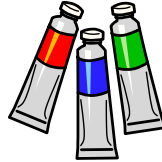

What you need:

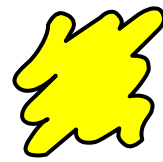

White

paper

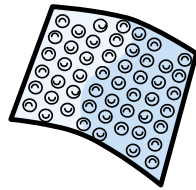

Green

paint

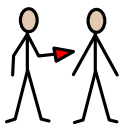

Yellow

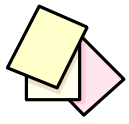

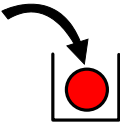

paint

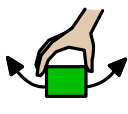

Bubble wrap

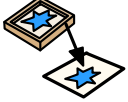

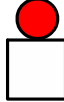

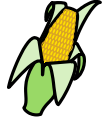

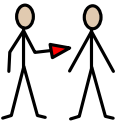

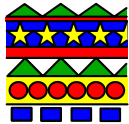

What you need to do:

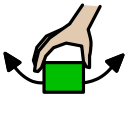

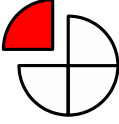

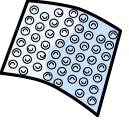

**1**        
1. Cut the paper into a corn shape with

  
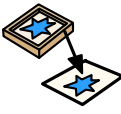

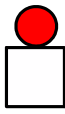

the leaves

**2**        
2. Using yellow paint, put the bubble wrap in

      
the paint then print on the main corn shape.

    
You should have a bubble pattern.

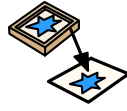

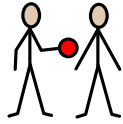

**3**       
3. Using a different piece of bubble wrap add

       
it to the green paint and print on the corn

leaves.

**4**

4. This is what your printing should look like
