

What you will need:

Playdough

Egg boxes

Number cards

What you need to do:

1

1. Make some playdough

2

2. Make some egg shapes with your playdough.

3

3. Choose a number card, can you tell your adult what the

123

number is?

4

$$3+1+2=$$

123

4. Now add the correct number of playdough eggs to your egg box

123

Did you get it right? Try again with a different number.
