

 Counting, sorting and fine motor

1

 1. Using a shoe box, cut different size slots in the

2

 2. Add a colour and a number to each slot., (e.g.

 1- Green, 2- Red, 3- Blue, 4- Yellow, 5- Purple)

3

 3. You can use milk lids or just cut out shapes the

 same colours and the amount stated on the slots on

 the box. (e.g. 3- Blue so cut out 3 blue shapes)

4

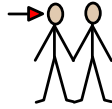

4. When you have the correct amount of colours,

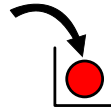

you can

sort

them

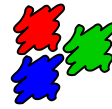

into

the

same

colour

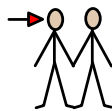

groups

and

match

them

to the

slot

in

the

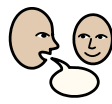

box

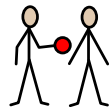

and

then

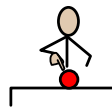

tell

your

adult

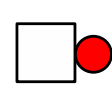

what

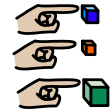

is

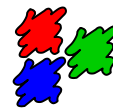

written

next to

each

colour.

5

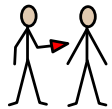

5.

Make

sure

you

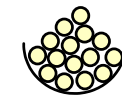

post

the

right

amount

and

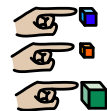

right

colour

in

each

slot.
