

Frozen Fractals

ice

art

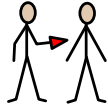

and

sensory

activity

What you will need:

Containers to

freeze

Water

Corn

syrup

Paint brushes

Food colouring

Cake tray

or

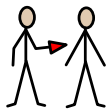

pots

for

paints

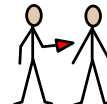

What you need to do:

1

1. Fill the containers with water, if you want

you can

add

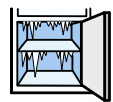

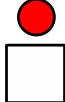

food colouring

to the

water

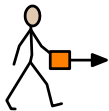

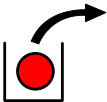

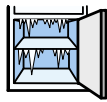

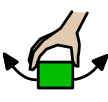

2     
2. Put the containers in the freezer over night

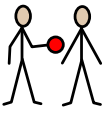

3      
3. To make the paint, put 2-3 tbs of corn syrup

     
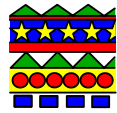

in a cake tray or pots, then add food colouring and

stir.

4  Take the  ice  out of the  freezer, and then using 

 your  home made  paints and a  paintbrush and  create

 beautiful  patterns
