

Ellen Tinkham School

There is a new virus which has 2 names.

Some people call it Covid 19 and some people call it Coronavirus.

Lots of things are different because of this virus.

Ellen Tinkham School is different too.

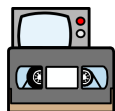

Some students are going to school.

Some students are going out walking.

Some students are learning at home.

There are lots of fun videos, stories and learning on the school website

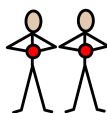

to watch at home.

All the students at school, in the walking group and at home are still

Ellen Tinkham students.

Ellen Tinkham is still our school.

This is ok.
