

Farm to Fork!

or Where our food comes from!

Have you ever wondered where your food comes from?

Your family go shopping to get food but how does the

food get to the shops?

Time for a chat and a game! First get a grown up.

Find packets of food in your kitchen cupboards,

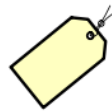

fridge or freezer. Chat about where you think

the food came from.

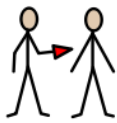

?

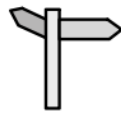

Do any of the foods have a label to

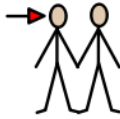

tell

you

where

they

come from?

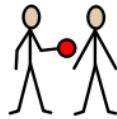

Chat

about these

places

with

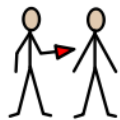

your

grown up.

?

Can

you

find

these

places

on a

map?

Most of

our

food

starts

it's

journey

to

our

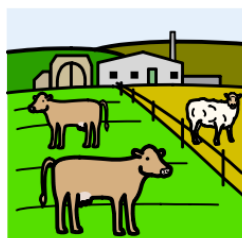

home

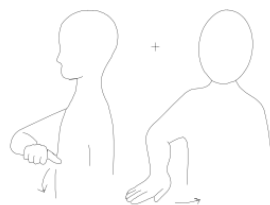

from a

farm.

Some farms

grow

crops:

cereals

fruit

and vegetables

Some farms

look after

animals.

Some crops

are made into other

foods

like

bread.

Some animals

are made into

meat.

Some animals

give us things they make.

sheep

honey

bees

milk

hens

wool

cows

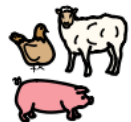

eggs

Match

the

animals

with the

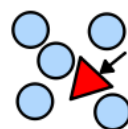

foods

they give us.

Spot

the

odd one out!

Lots of

different

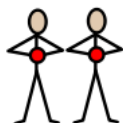

people

are needed to

help

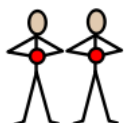

our

food

get from the farms

to

our

homes.

Have a go at

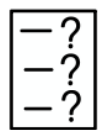

playing the
