and

PSHE

Can you make a leaf creature?

Can you find some leaves and other interesting things in the garden to make some animals?

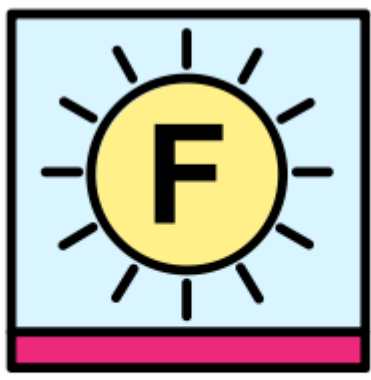

Or cut out some leaf shapes and decorate them and then make them into different animals or make leaf people.

PSHE

Ideas:

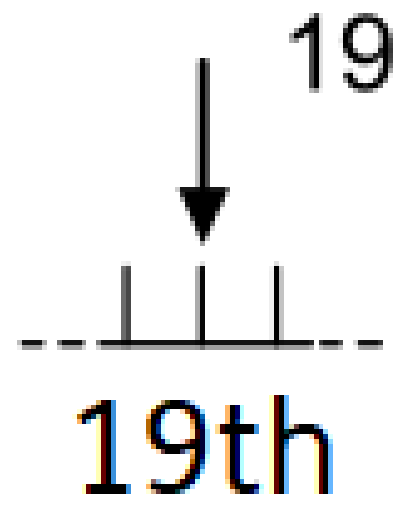

- Write about your week
- Talk about a good thing from your week.
- Draw a picture about your week.

Senses – Touch

Differing Temperatures

Gather together items such as:

- a hot water bottle
- an ice gel-pack
- a hand warming gel-pack
- metallic items
- various packs containing pulses that can be heated in the microwave
- ice cubes or plastic shapes designed for freezing.

Encourage your child to handle objects of varying temperatures and distinguish between them.
