

Phonics Phase 1- Instrumental Sounds.

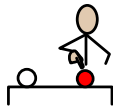

* As you read a story encourage the children to

play their instruments in different ways.

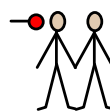

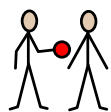

e.g.

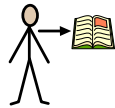

(e.g. make this instrument sound like... a fairy

fluttering, an elephant stomping or a cat pouncing).

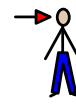

* Ask your child to make their own suggestions

for different characters

e.g.

(e.g. How might Jack's feet sound as he

tip-toes

by

the

sleeping

giant?

What

about

when

Jack

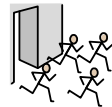

runs

fast

to

to escape

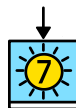

down

the

beanstalk?)

* For

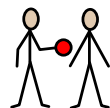

this weeks

story,

ask

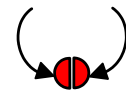

your

child

to

make

the

instrument

sounds

of the

animals

on

the

the farm
