

Kandinsky Circles

You will need:

- Variety of circular objects to draw around
- Coloured paper or card
- Scissors
- Pencil
- Backing paper
- Glue stick

Method:

- Find circular objects to draw around
- Draw around the different circular objects using different coloured card/paper
- Cut out the circles
- Stick and overlap the circles by size
- Back your circles on backing paper to complete your Kandinsky style art

Kandinsky Circles

You will need:

- Variety of circular objects to draw around
- Different colours of paint
- Paper
- Try painting while listening to classical music

Method:

- Go on a circle hunt to find circular objects
- Dip the circular objects into colour paint, to print on to the paper
- Explore printing with the rim of the pot/bottle to print circles. Print with the base of the pot to make dots
- Maths challenge - can you organise the circles to print the smaller circles inside the bigger circles?
