Dear all the students in lower seniors,

I hope you are well ?

I miss seeing you so I wanted to write you a letter to say hello. I also wanted to ask 'what have you been doing?

I miss seeing you at college but hope that you are doing lots of the fun things we have been asking you to do at home. I have been busy making resources for you all and going on lots of walks with my dog.

I am enjoying being in the sun but staying safe by drinking lots of water and wearing suncream.

Dear all the students in lower seniors,

Hello everyone,

It is very strange being at home. I am spending a long time working on the computer. I expect lots of you are doing your home learning on the computer. Have you seen anything interesting on our website?

It is strange because I can't see all your smiling faces everyday, and I am looking forward to when things get back to normal.

I would like to hear what you have been up to and any exciting news you might have.

My news is that I went for a walk yesterday and saw a barn owl and a roe deer. I had to stay very quiet while I watched them.

Keep in touch!

From

Simon
