

Giving Instructions

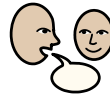

Sometimes

we

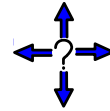

need to

tell

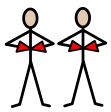

people

which way

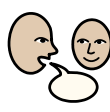

to go.

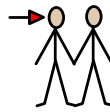

We

may

tell

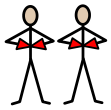

them

to go

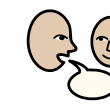

up.

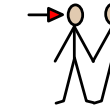

We

may

tell

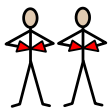

them

to go

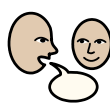

down.

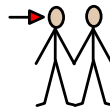

We

may

tell

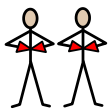

them

to go

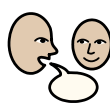

right.

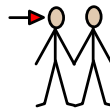

We

may

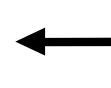

tell

them

to go

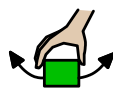

left.

Cut out

and

use

the

symbols

to

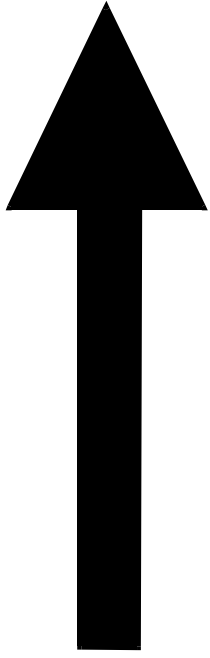

give

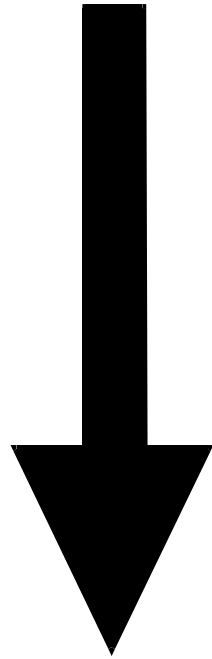

someone

instructions.

Up

Down

Left

Right
