

$3 \times 2 + 5 =$

Division calculations

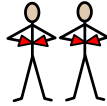

Remember

that

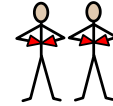

when

we

are

$4 \div 2 =$

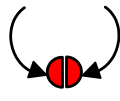

we

are

sharing

and

making

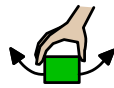

groups.

Cut out

and

use

the

symbols

to

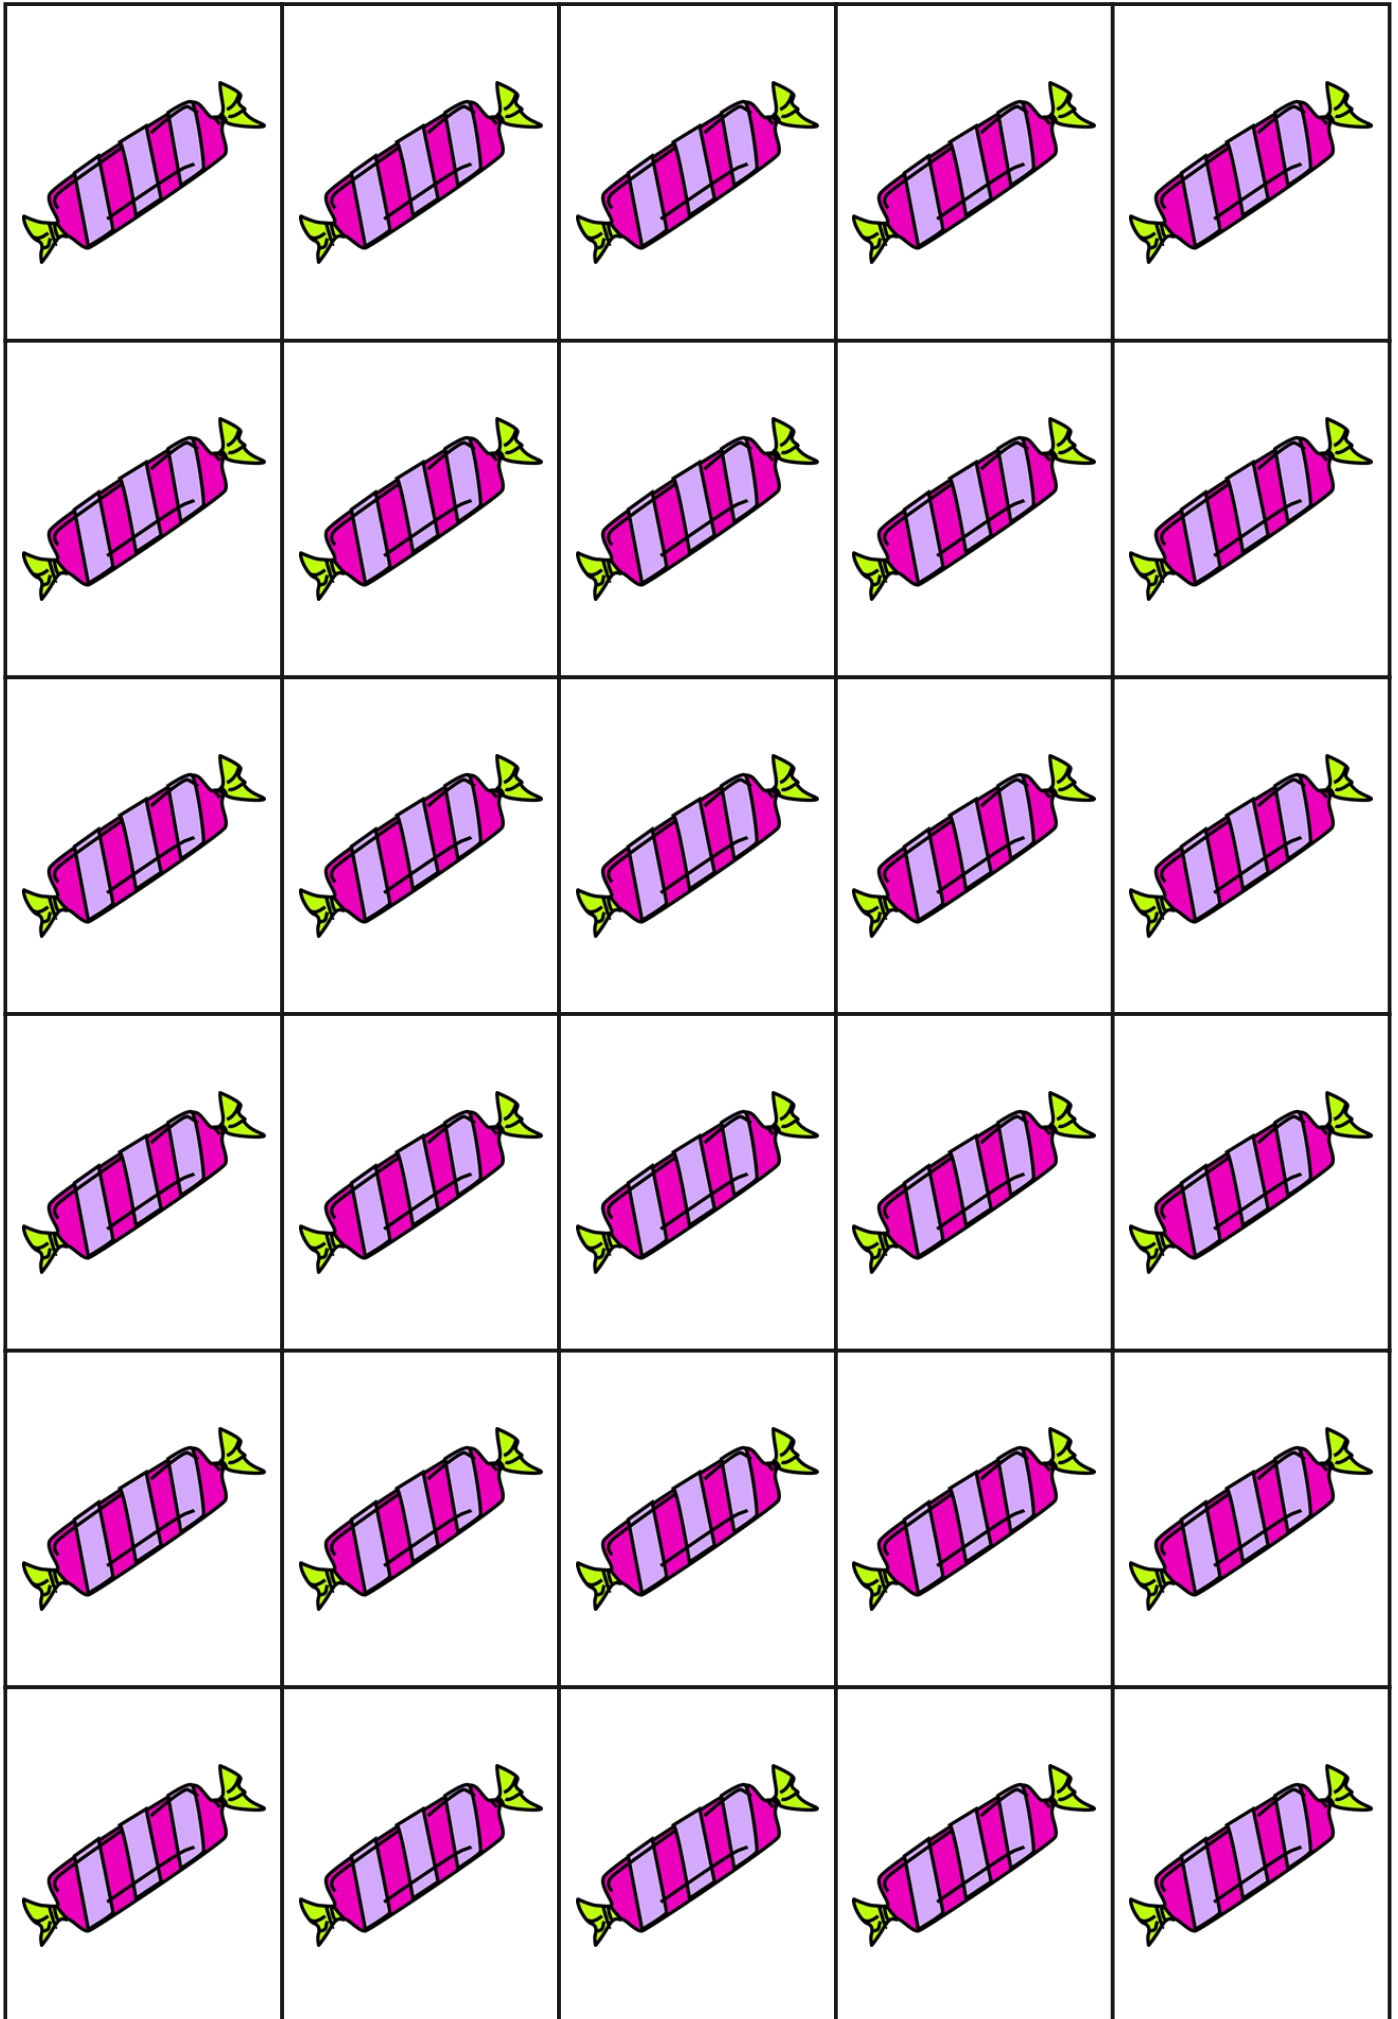

complete

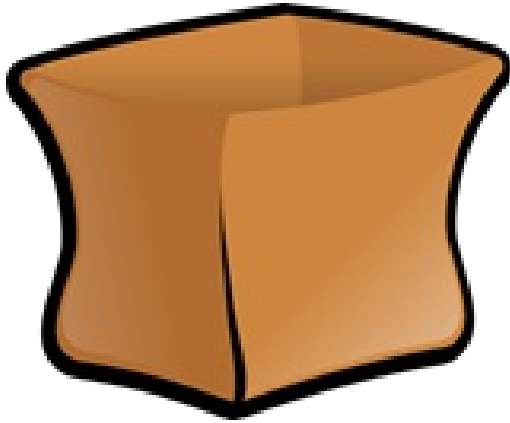

the

$3 \times 2 + 5 =$

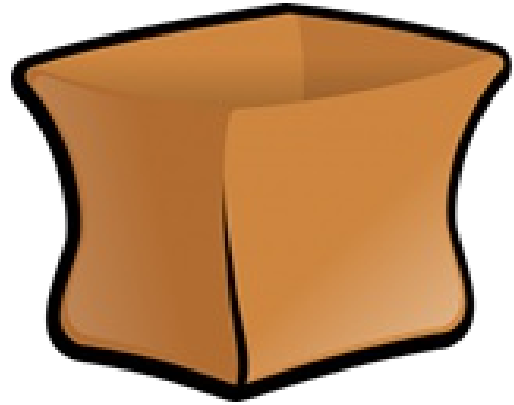

calculations.

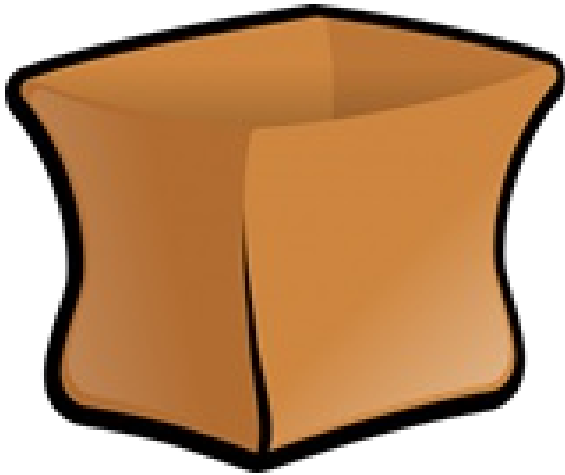

$$6 \div 2$$

6 divided 2

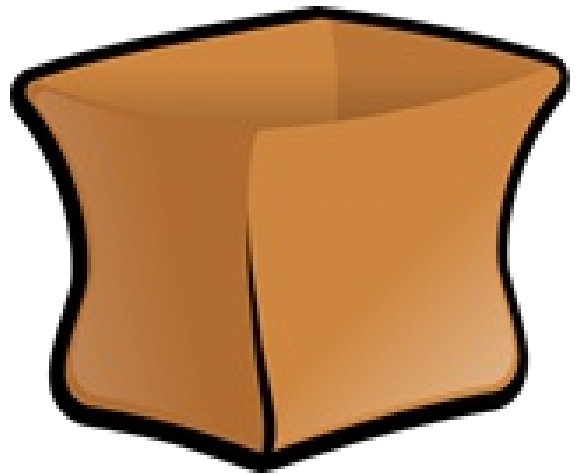

$$9 \div 3$$

9 divided 3

$$10 \div 2$$

10 divided 2

$$8 \div 2$$

8 divided 2
