

Compass directions:

Last time we looked at points on a compass.

This time there are some map reading tasks for you to do.

- 1) Complete the compass directions worksheet. Task 3A in the resources.
- 2) Complete the using a compass worksheets. Task 3B in the resources- there are three maps here for you to follow.
- 3) Task 3C Make your own maps and write instructions. Ask people to follow them. You can challenge a teacher!!

You will find a blank grid below.

Have fun
