

Paint your own pebbles

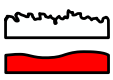

Why not look for your pebble

You will need:

on your next walk?

A pebble with a smooth surface

Some colouring pens or paint

(The paint that works best is acrylic paint or

waterproof craft paint)

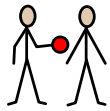

You can

paint

your

pebble

using

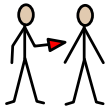

any

design.

Maybe

you

could

draw

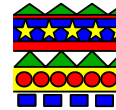

on

a

bug,

a

pattern,

a

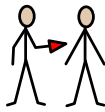

rainbow

or

perhaps

you

could

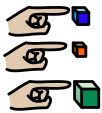

find

enough

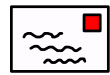

pebbles

for

each

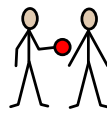

of the

letters

in

your

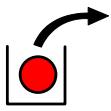

name

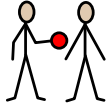

and

write

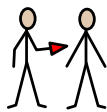

out

your

name!

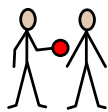

If

you

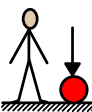

want

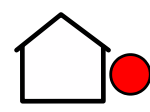

your

pebbles

to

stay outside,

ask

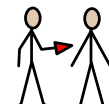

an

adult

to

assist

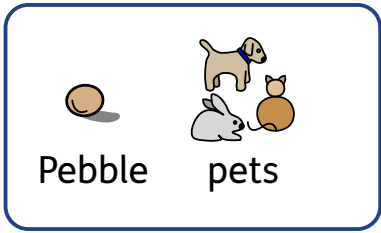

you

with

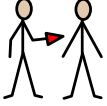

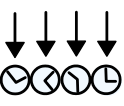

varnishing them.

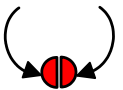

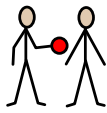

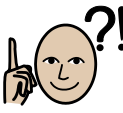

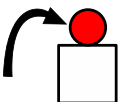

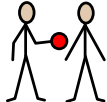

Pebble

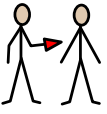

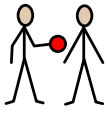

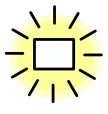

pets

 Perhaps
  you
  have
  always
  wanted
  a pet?
  Now

 you can
  make
  your own!
  Simply
  stick
  googly
  eyes

 or draw
  some
  eyes
  onto
  your
  pebble.

 Activity
  ideas
  for you
  and
  your
  new
  pet!

 Name it.
  Tell
  it a bedtime
  story.
  Write
  or draw

 it a menu.
  Make
  it a form
  of transportation
  or a

 bed
  or house
  using
  recycled
  materials.
