Today

we

are

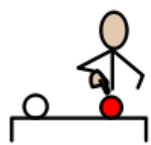

going to

be

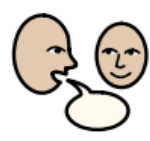

Persuasive!

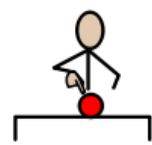

This

means

telling

someone

what

you

believe,

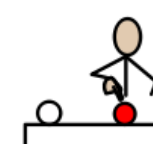

think

or

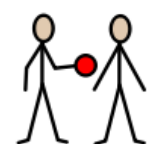

feel.

This

is

your

opinion.

We

are in the

season

called

summer.

The

sun

feels

hotter

in

summer.

It is

important

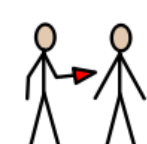

to be

safe

when

you

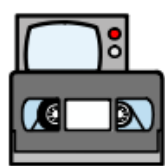

are

outside

in the

sun.

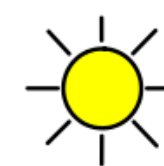

1. Watch these videos

about being

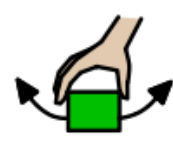

safe

in the

sun.

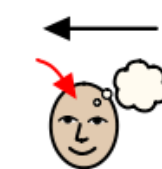

2. Use

the information

you

learnt

to make a

poster

to persuade

people

how

to

keep safe

in the

sun.
