

# Bottle Flower Stamps

## You will need:

- Paint
- Paper
- Empty Water Bottle or soda bottle

## How to

- The bottom of the soda bottle has five points like the five petals of a flower. Dip it in paint and press it on the paper then lift up.
- Dip the bottle in more paint each time you repeat the stamp. This is really fun, add as many flowers as you want.
- You could also use a paint brush to apply paint to the bottom of the bottle.
- Draw stems and leaves using pens or paint.
