

Princess In Training Rule Sheet

Becoming a Princess is hard work. Do you have what it takes to become royalty?

Number of Players: 2-4

Age Range: 5 +

Game Pieces:

- 1 *Princess In Training* Game Board
- 4 Princess Game Pieces (1 orange, 1 blue, 1 green, 1 pink)
- 4 Crown Room Boards
- 20 colored crowns (4 orange, 4 blue, 4 purple, 4 green, 4 pink)
- 40 printable cards (10 Act Like a Princess, 10 Think Like a Princess, 10 Look Like a Princess, 10 Sound Like a Princess)

*You will also need a 6-sided die, paper, and crayons or markers

How to Win: Be the first player to earn one crown in each of the five colors (orange, blue, purple, green, pink) and return to your castle.

Starting the Game:

1. Lay the game board on a flat surface.
2. Separate the cards into the four categories listed in the right-hand corner of each card (Act Like a Princess, Think Like a Princess, Look Like a Princess, and Sound Like a Princess). Place each stack of cards next to the corresponding label on the game board.
3. Give each player a Crown Room Board to place in front of them.
4. Each player should pick a Princess Game Piece and place it on the same color castle on the game board.

Playing the Game:

1. Roll the die. The player with the lowest number goes first.
2. The first player rolls the die and moves along the game board that many spaces.
3. The player then chooses a card from the category listed on the space where they landed.
 - a. If a player lands on the purple 'Choose Any Category Space' they may choose a card from any of the four categories.
4. If the player correctly completes the task given on the card they chose, they receive a crown in the color that corresponds to the space they are currently on. The crown can then be placed on the player's Crown Room Board on top of the corresponding color.
 - a. If a player does not correctly complete the task, they do not receive a colored crown.
5. At the end of a turn, the player must place their card at the bottom of the matching category pile unless the card says otherwise.
6. Players take turns, moving in a clockwise direction.
7. The player to receive all five colored crowns and return to their starting castle first is the winner.
